What does Airbnb, Uber, and Charleston Swim all have in common? We believe in keeping income opportunities local and accessible to everyone while providing convenience of service and safety to all.

- Help dozens of children & adults learn how to swim, gain safety in the water, and live life to their fullest.
- Drowning is the leading cause of death for those 1 to 4 years of age. (cdc.gov) You can help change that.
- Tap into the sharing economy community. **Earn up to \$1500 per month with our hourly rent pay**

- Get the highest quality swim lessons in your own backyard! Keeping your kids safer.
- We utilize COVID Precautions.
- **No liability with our CPR certified, background checked, & fully insured teachers.**
 - **Plus all students sign liability waivers covering the property & owners.**

- Charleston Swim is the #1 rated Swim school in SC.
- Our classes are small & we keep noise low so that neighbors can enjoy peace & quiet.
- Flexible scheduling & you can still swim while we are there.
